SPONSOR THE SAFETYS

The Safetys is an awards gala in celebration of Manitobans who are making our workplaces healthier and safer.

As a sponsor of The Safetys, your organization will join leaders across Manitoba's top industries in supporting the safety of all our province's workers.

The Safetys was a sold-out success in our first year, and we continue to grow. Now in our third year, we move onto the national stage as a partner of the Canadian Society of Safety Engineering Professional Development Conference, which is held in Winnipeg in 2019.

Please contact Laura La Palme, Chair of The Safetys Committee, at (204) 791-0351 or lauralapalme@gmail.com, to discuss sponsorship opportunities.
